"Tell Your Heart to Beat Again" (Women)

Leader: Christina Ellanson

Online Only 

FLL-TYH Monday 8:00 pm EST

This is a class intended for sisters of all ages who have made mistakes, been in bad situations or who felt their life of faith has gone dormant. In this class, the intention is to create a support group where sisters can take the first steps of healing and discovering God's true grace and powerful love. I thought I could get by without a strong, living relationship with God and Christ. After an intense course of discovering my true identity through Christ and our Heavenly Father, I became more empowered, happier, and the most free I've ever been.

*Using the book "**Girls Gone Wise in a World Gone Wild**" by Christian author Mary A. Kassian as our main text, I want to help class members apply the timeless wisdom of the Bible to create a rich connection with God and reap all the benefits that go along with it!*

"Educating for the Kingdom of God"

Leader: Birgit Poljakov

Online Only 

FLL-EKG Tuesday 7:00 pm EST

HOLY SPIRIT UNIVERSITY

Fall 2016 Catalog

The purpose of my class is to learn together how we can actualize Kingdom Principles. Only if God's ideal is clear in our mind, can we see how Satan is manipulating the very fabric of our society. The mind has been hijacked by the education system and the media to serve Satan's purposes rather than God's creation, which has resulted in a world lacking true spiritual health.

Based on the premise that there is ONE Original Blueprint for God's creation and ONE Purpose of Creation expressed through Jesus (Bible), Divine Principle and True Fathers 8 Great Textbooks, and Hyung Jin Nim and Kook Jin Nim's explanations, we will use God's word to shine light on how knowledge can be understood from God's viewpoint and compare it with common knowledge from the fallen world.
