

# Ten Points to Consider

## World Peace and Unification Sanctuary

## Family Federation for World Peace

### 1. Did Mother need to be educated by True Father to fulfill her mission?

**YES. Mother was raised up and educated by Father in countless ways.** “The first seven years after the Holy Wedding Ceremony were the period to raise up Mother with heavenly education. During this period, Father continually prayed for this, day and night. Even Mother didn't know all the significance behind this period, but Father substantially restored the heavenly daughter, heavenly spouse and the standard of True Parents, all of which were lost by the fall.”

**NO. Mother was not educated by True Father.**

“Nobody educated me.... You cannot say that God's only begotten son educated God's only begotten daughter.” Speech by True Mother, given on October 27, 2014. This statement is at the 9:20 mark.

### 2. Does Mother have authority to countermand True Father's express direction regarding holy scriptures, blessing vows and more?

**NO. As the bride of Christ, True Mother should HONOR key covenants established by True Father.** Additions to eight holy scriptures, including CSG, should be included in new volumes, NOT by changing content of original CSG. *“I'm saying that you should not touch the Cheon Seong Gyeong with regards to its contents. I'm telling you not to touch it, even if you have to explain the historical context by making a separate book.”* SMM, Dec. 3, 2004 Speech

**YES. As “only begotten daughter of God” True Mother has authority to alter key covenants established by True Father** including Family Pledge, Blessing Vows, Blessing of Glory holy song, and original CSG. These needed changes could not be accomplished while True Father was alive on the earth and had to wait until True Mother had complete authority to do so after Father's passing to the spirit world.

### 3. The way we address God

God referred to as “God” or “Heavenly Father”

God referred to as “the Heavenly Parent(s)”

### 4. Is True Father limited to CheongPyeong?

**NO. We do not need to go to CheongPyeong to meet with True Father,** who is not limited by time or space. There is no need to pay for ancestor liberation, "removal of fallen nature," or to buy land or houses in the spiritual realm. Repentance and acceptance of God's forgiveness and grace ARE needed.

**YES. Father is limited to “approved” locations.** “Do you think Father will just appear anywhere? No. **Father will come only to me or to Cheongpyeong.** Do you understand? If there is anyone among you who did not know that, it has now been explained.”

## 5. View of the “Six Marys”

EVERYTHING that True Father did, including his relationships with the “Six Marys” was for God's purpose of restoration and establishing a new lineage.

**Mother, as the only begotten daughter of God, who was born sinless (July1, 2014 speech), saved Father from his “mistakes” of the “Six Marys.”**

## 6. Are Divine Principle and the Bible central scriptures?

YES. The Bible and Divine Principle are the root of every aspect of Father's ministry.

NO. Bible and Divine Principle are not mentioned in CIG Constitution as basic scriptures.

## 7. Should we uphold True Father's message about Absolute Sex?

YES. Proudly teaches Father's message about Absolute Sex.

NO. Ashamed of Father's Absolute Sex message. (Hyung Jin Nim was ordered to stop talking about Absolute Sex in early 2013.)

## 8. Self governance or central authority?

Establish local councils with real authority and ownership.

Centralized authority, reduced transparency.

## 9. Continue “taxation” of Japanese members?

NO. The heavy financial burden of Japanese members should end.

YES. Continue to “tax” Japanese members.

## 10. Which male True Child deserves our respect and support?

Hyung Jin Nim was crowned three times by True Parents as chosen successor and World President. The “crime” for which he was removed was wanting to preserve True Father's covenants and words. *“I can leave someone in charge of my work on my behalf. Currently there is no one among our church members who surpasses Hyung Jin in his standard of faith or in any other way. Do you understand? I am appointing him...Thinking of this beautiful young man and woman standing here, representing Korea, the world, and furthermore the cosmos, they are the ones whom you can take pride in. They will become the pillars of our house in the future.”* <https://www.youtube.com/watch?v=nuu04vx5cnY>  
**“The representative and the inheritor is Moon, Hyung Jin. The others (who say they are inheritors) are the heretic and the destroyer.”**

**According to the FFWPU hierarchy Hyung Jin Nim is a disobedient son who is unfit to be successor, world Unification Movement president, or even American Unification Church President. The two male True Children to be respected and accepted by the Unification Movement, are those who cannot speak for themselves, since they are already in the spirit world. “All of you, you have a great brother, an elder brother Hyo Jin Moon and Heung Jin Moon; they are your two proud elder brothers, do you understand? So centering on the True Parents, and by uniting with your elder brothers, Hyo Jin Moon and Heung Jin Moon, then you can move forward, you will be prosperous for tens of thousands of years, do you understand?”** 5/23/2015 True Mother Hoon Dok Hwe message at East Garden
